GOLDEN DOME CIRCLE Leadership Giving

The **Golden Dome Circle** was established in 1997 to encourage Leadership Giving among those interested in setting an example for others and demonstrating their commitment to the community. The Golden Dome Circle now accounts for 37% of the total campaign!

When you contribute at a **Leadership level of 1%** or more of your annual salary, you're helping to provide critical services and essential items for individuals, children and families in your community.

Golden Dome Circle donors are honored in a membership roster and with a special recognition reception. Gifts may be made through easy payroll deduction while cash, checks and credit cards are also accepted.

Please consider becoming a member of the Golden Dome Circle and join others who believe that each of us can make a difference in communities around our state.

Thank you for your generosity!

Give a Little *and you could* Win a Lot!
